Children from households that meet federal guidelines [above] are eligible for free or reduced price meal services. Complete one application per household for all children that attend **the same school district**. If you receive a letter that states your child(ren) are eligible for free meals via the direct certification process, you do NOT need to complete an application to receive free meal benefits. If you need to complete an application, the district strongly encourages the use of its ONLINE application found at www.montytech.net. If you prefer a paper application, go online to www.montytech.net; the application is located under "Parents & Students" / "Cafeteria Online Payment and Free/Reduced Lunch Application." Households must answer all applicable questions. Incomplete applications cannot be processed. ONLINE applications will be processed 24 to 48 hours after submissions. Paper applications require up to five days to account for the additional time needed for mail delivery and manual processing. Households may apply for benefits at any time during the school year. Homeless, migrant, runaway youth and foster care children are categorically eligible for free meals. Households that do not agree with the determination may request a fair hearing.

All meals served must meet the meal requirements as defined by the U.S. Department of Agriculture. If a child has been determined by a doctor to have a disability and the disability would prevent the child from eating the regular school meal (or alternate), Monty Tech Cafe staff, in conjunction with doctor recommendations, will make substitutions at no extra charge. If your child needs substitutions because of a disability, please contact the school for further information.
