### **Zoning Board Training Session:**

### **Chapter 40B Comprehensive Permits**

Thursday December 13, 2018

7:00 PM

Selectmen's Meeting Room (Room 205)

The Town has selected its preferred developer for the affordable senior housing project to be located behind the Senior Center on West Main Street. The developer will need to obtain a Comprehensive Permit from the Town before applying for State construction funds. A Comprehensive Permit it just that: it rolls all local approvals and permitting processes into a single Comprehensive Permit issued by the Zoning Board.

In an effort to be ready for this eventuality, the Massachusetts Housing Partnership (MHP) has offered to provide a free training session for the Zoning Board on how to manage the Comprehensive Permit process.

This event is open to the public and all are welcome to attend.
