John came to the meeting inquiring about the possibility of using inflatable boats.

Committee to pay for yoga weekly instead of upfront.

Kathleen to purchase bocce set and basketballs.

To fix the existing swing set is \$5408, not including shipping, labor and disposal of old parts. A new one is \$6500 with a \$300 set up fee. Committee to look into other options/swing sets, but must be an approved one for safety.

Milfoil looks good. Lowering the pond over the winter seemed to help.

August 19 will start the closing of the Pond at 6 pm. Labor Day (September 2) will be the last week day, then 2 more weeks of only weekends.

Tom to work with Pat on switching the cameras. Make sure they are not on during the day.

Committee to possibly surplus the tractor for the Town.

Can we have an ice cream truck at the Pond? Heather said she would look into it.

Next Meeting: Aug 6 at Pond

Respectfully submitted,
