Application/Permit for Supervised Display of Fireworks and/or Special Effects

This form shall be used as the application and permit for all supervised display of fireworks and/or special effects in the Commonwealth of Massachusetts.

Triplicate copies of this form must be submitted to the head of the local fire department <u>at least</u> <u>twenty (20) days in advance of the proposed date of display</u> as required by 527 CMR 2.04(4)(b).

The applicant must attach the following to each copy of this application:

- diagram/site plan showing points where fireworks are to be discharged, location/distance to the audience, buildings, highways, overhead obstructions, etc.
- the number and description of the fireworks/pyrotechnics including the diameter of the largest shells and whether manually or electrically fired.
- natural barriers must be pre-approved by State Fire Marshal's Office (plan sufficient time ahead).
- letter from owner, operator or manager of the <u>indoor entertainment venue or theater</u> acknowledging the proposed use of pyrotechnics within their facility.

One copy of this form must be forwarded to the State Fire Marshal <u>not later than five (5)</u> <u>after receipt of said application as required by 527 CMR 2.04 (4)(c)(11).</u>
