

THE HAGER PARK COMMISSION

Town Hall - 11 South Street
Westminster, MA 01473

MEETING MINUTES

Hager Park Commission
31 August 2021
4:00 PM

Hager Park parking area
CCM, MEP, APW
Guests: Adam Hurd
Tony Maressa

In July, APW was able to get a mini excavator from Davenport Paving. He spend a Saturday grading out the forestry landing and cleaning up the trails running along the lower section of the 18 acre parcel on the west side of Route 140. He also roughed in a new trail spur running up to the southwest corner of the property. The jersey barrier blocking the southerly entrance from Route 140 was moved to join the jersey barrier at the northerly entrance. They were both reset to allow parking on the street side with hiking access into the property. A piece of telephone pole was stockpiled at the southerly entrance for installation of a gate.

We walked these trails to look at these recent improvements. The property abutters joined us to see this work.

We returned to the parking area where we voted to sign a voucher to pay Mike Kotoski \$800 for mowing the Rambler.

We then discussed the selection of the six acres of HP (that includes the parking area). This discussion continued for a while mostly with Adam Hurd expressing his opposition to the idea and with CCM defending the project.

Adjourned 5:30 +/-
