Wachusett Brewery – Parking Permit Extension

The Public Works Commission was present to discuss concerns with the Wachusett Brewing Company's wastewater discharge as well as the safety of pedestrians crossing State Road East from the parking area to the brewery. Chairman Emerson stated to the Board of Selectman concerns with the lack of responsiveness to public works concerns with their wastewater discharge. Regarding the access permit for the parking area, the Director of Public Works, Joshua Hall, stated that the brewery could apply for the access permit to the MassDOT on behalf of the town.

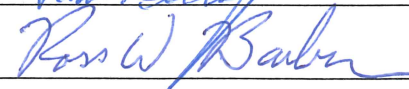

It was agreed that Wachusett Brewing Company representatives would attend the next Public Works Commission Meeting (6/25/19) to discuss in greater detail and define a time line to address the concerns of the Commission.

6:35 PM Commissioner Butterfield made a motion to adjourn. The motion seconded by Commissioner Barber. Voted unanimously.
