Guests: Adam Hurd

The Commissioner reviewed the Conflict of Interest form that had been sent out by the Town Clerk. CCM and APW filled out and signed forms and brought them across the hall to the Clerk. MEP had already done this.

The Commissioners reviewed our current budget worksheet. Currently, we have a budget of \$900. This amount had been based on the cost of the annual mowing of the Rambler Area. A couple of years of experience with this work, we now know that there is a greater cost. Mike Kotoski had been charging \$650 and now charged us \$850 for the job. MEP made a motion to request an additional \$200 to cover this increase. AWP seconded. Motion passed unanimously.

The Commissioners reviewed the updated trail map prepared by Chris Capone. After discussion, we decided to ask for some revisions:

Remove the trail stub toward the Wuoti property.

Show mileages on the trails.

Show a P on the parking area on the west side of Hager Park Road.

Name the main trail on the west side "Perimeter Path West"

CCM will get this Chris Capone.

CCM gave an update on the 6 acre land donation adjacent to HP and the Rambler from the Normandin family. The Town agreed to accept the land at the 2021 Annual Town meeting, but before the property can be transferred it needs a review by the ZBA. CCM is working on that filing. MEP made a motion to authorize CCM to prepare the filing and to represent the HPC before town boards, etc. to permit the donation. AWP seconded. Motion passed unanimously.
