The meeting minutes for 9 December and 13 January 2022 were distributed. MEP made motion to approve both sets of minutes. CCM seconded. Unanimously approved.

CCM provided a brief update of the Normandin property donation off of Hager Park Road. The ZBA approved the requested variance at their meeting, but the town clerk has not received their decision yet.

Discussion moved to trail marking. Adam Hurd said that he and APW are prepared to mark trails on the 18 acres on the westerly side of Hager Park Road. CCM & MEP will mark the Perimeter Path on the easterly side.

Discussion moved to National Trails Day which is 4 June 2022, a Saturday. Town Planner, Steve Wallace has been working with the Open Space Committee to organize a trail maintenance event on that day with work occurring at Hager Park and Crocker Pond. We need to come up with some trail maintenance activities for volunteers at HP. CCM will likely attend the next Open Space Committee to get more info.
