

THE HAGER PARK COMMISSION

Town Hall - 11 South Street
Westminster, MA 01473

RECEIVED
2024 JAN 30 AM 10:18
TOWN OF WESTMINSTER

MEETING MINUTES

Hager Park Commission
12 May 2022
3:00 PM

Hager Park Parking Area
Hager Park Road (Rte 140)

Chris Mossman
Matt Pearson
Alan Wiktorski
Guests: Adam Hurd

The meeting minutes for 10 March 2022 were distributed. MEP made motion to approve the minutes. CCM seconded. Unanimously approved.

CCM provided a brief update of the Normandin property donation off of Hager Park Road. The Town Clerk reports that the ZBA written their decision but the members have not been by to sign it. Once signed, we must wait 20 days for the appeal period to pass. Then on to the Planning Board before property can be deeded to the Town.

Trails Day is coming up on 4 June 2022 and Town Planner, Steve Wallace stopped by to discuss the format of the event and make sure we were ready. He can provide us with rakes, pruners or shovels. The volunteers will meet at Crocker Pond and 10 of them will come to HP to work with us. CCM had some marked up trail maps to show some possible projects. (Wallace left). First spot is south of the WTP driveway along the Perimeter Path. This trail now passes very close to the Normandin houses and garage and would be easy to relocate deeper into the woods.

We then headed back to the parking area. (MEP left) We continued northerly on the Perimeter Path past the WTP to the vacant cemetery expansion land. Currently, the trail continues northerly toward cemetery, but they have cleared and graded an area for new graves. A trail relocation in this area would turn easterly and then northerly along the WTP land before entering the developed part of the cemetery. All of the relocation would be on cemetery land. We flagged the route, so CCM could review it with the Cemetery superintendent.
