MEETING MINUTES

Hager Park Commission
22 June 2022
5:00 PM

Hager Park parking area
Hager Park Road (east side)
Chris Mossman
Alan Wiktorski
Guests: None

CCM reported that in checking our Town account balance for FY22, we have more money than expected. Turns out that the wrong account number was used for the invoice for mowing the Rambler last year. The money came out of a general building fund that had paid for the mowing in FY21, before we got an increase in our budget. Discussed this with both the Town Accountant and Administrator and both felt if there was a small project we would like to tackle we could spend the money.

CCM would like to buy additional trail marking "diamonds" from Voss Signs. APW would like to build a kiosk at the parking area across the street. We measured up the existing kiosk on the east side of the road and made a materials list. APW will get a price from Maki's. CCM will order trail markers from Voss. APW feels he can get Adam Hurd to help him with the construction and installation of the new kiosk.

We then drove over to the Rambler road on the east side of Hager Park Road and drove up to the Rambler for a look around. APW was interested in also getting materials to shore up the telephone pole supports at the pavilion. We decided that might need to wait until the next FY. We also decided to visit Mike Kotoski when he was up there mowing to get some advice about how to make these repairs and possibly get him to make them for us.

Adjourned: 5:40 PM
