TOWN OF WESTMINSTER

1. Are there any union labor requirements?

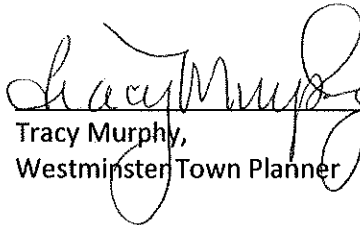

The Town will not be a partner in the Old Town Hall project. The successful bidder is expected to enter into a Purchase and Sales Agreement and take ownership of the property prior to any construction activities. The Town does not assume nor relay any responsibility for wage requirements of the successful bidder.

2. Is an estimated budget or construction cost range available?

Designed as a private project, there is no estimated budget or projected cost range.

3. Is there an anticipated start and completion date for when this should begin and end?

While there isn't a defined start and end date, the Town seeks to have the project done as soon as is feasible.
