

**Regulations of the Westminster Board of Health
Sale and Use of Non-Tobacco Nicotine Delivery Products**

A. Statement of Purpose:

Whereas there exists conclusive evidence that; the U.S. Department of Health and Human Services has concluded that nicotine is as addictive as cocaine or heroin; the appeal created by Nicotine Delivery Products or e-cigarettes, which contain addictive nicotine, can lead minors into a nicotine addiction that may result in their daily use of tobacco; the U.S. Food and Drug Administration has conducted laboratory tests finding e-cigarettes contain toxic chemicals and carcinogens; e-cigarettes seriously compromise current laws governing indoor smoking bans including, but not limited to, the Smoke-Free Workplace Law (MGL Ch. 270, §22) and the Education Reform Act (MGL Ch. 71 §§2A, 37H); and **Westminster** aims to protect its youth against the use of Nicotine Delivery Products and its residents against the involuntary exposure of vapors from Nicotine Delivery Products such as e-cigarettes; now, therefore it is the intention of the **Westminster** Board of Health to curtail the access and use of Nicotine Delivery Products.

B. Authority:

This regulation is promulgated pursuant to the authority granted to the **Westminster** Board of Health by Massachusetts General Laws Chapter 111, Section 31 that "Boards of Health may make reasonable health regulations".
